Introduction

Founded in 1997 as Beagle Software, Beagle Hardware specializes in the sales and service of Point of Sale (POS) printers and accessories.

We sell a variety of new and fully refurbished POS printers. Our refurbished products carry a 90-day warranty and a 30-day money back guarantee. We also offer a large selection of accessories.

Our office is located in downtown Minneapolis, Minnesota, in the historic Warehouse District.

We are an authorized Epson Envision VAR partner, as well as an authorized VAR of Star Micronics, ENS/Tailwind, TSC, Symbol/Motorola , Zebra and others.

Please visit _www.beaglehardware.com_ or call 800-253-6407 for the latest availability and pricing information on our printer models and accessories.

Service, Parts & Repairs

We repair all models of Epson / Micros POS printers. We offer Flat-Rate repairs for the most common Epson printers, including the TM-T88, TM-U295, and TM-U220 series. Our all-inclusive flat-rates include shipping both ways, cleaning, calibration, parts and labor.

We offer the highest quality service and **guarantee all of our work for 90 days**. Our factory trained technicians are usually able to diagnose printers the same day they arrive, and return shipments will be made promptly.

Units sent for service should be addressed to:
>   **Beagle Hardware**
>   **Repair Department**
>   **126 N 3rd St, Suite 300**
>   **Minneapolis, MN 55401**

All printers sent in for repair should be accompanied by a note explaining the problem to ensure that the issue is addressed.
